A Christmas message from MinEx

As we wind into a well-earned Christmas break, thanks for all your support this year.

I trust that through a lot of workshops/forums/visits, Train Brains, newsletters, emails and phone calls, MinEx has been able to help you finish your year in the most important place of all; having kept you, your workmates or staff safe through 2018 and able to go home for Christmas with your families.

Enjoy the break and do so safely.

We look forward to resuming our work together in the New Year.

Very best wishes

A handwritten signature in blue ink that reads 'Wayne'.

Wayne Scott
CEO

Health and Safety Update 2019

In 2019, we're on the road again - bringing MinEx workshops to regional centres around New Zealand. However, next year the format has changed. They will run in two half day sessions (on the same day), so you can earn 8 hours CPD all in the one day.

WorkSafe will be co-hosting these workshops, which will focus on Operating and Safety systems, Emergency Management, Leadership and Legislation. The cost will be \$100 + GST to attend.

In the New Year we will launch an app to make it easy for you to register, get information, receive handouts, certificates etc. So look out for the January Train Brain for how to download the new MinEx Workshop app. In the meantime, mark the date that interests you in your diary.

Palmerston North - February 20

Blenheim - February 25

Nelson - February 26

Waipukurau - March 14

Dunedin - March 20

Gisborne - April 10

Cromwell - April 17
